Welcome Everyone! How about all the wonderful art displayed by the talented members of BMAL? We are so proud of all of our artists! The creativity, skill, and expertise in the work is impressive. Thank you to Susan Margraff, for her organization of this event. Also, all food donations are appreciated.

You will see our board nominees for next year. Thank you to those members willing to join the board. There is always room for new members!

If you have a business you would like us to know about, please email me. Although BMAL does not endorse specific membership endeavors, we will post information about available opportunities.

Please enjoy this very special BMAL evening.

**BMAL SPRING Members' Art Show**

**Barbara Lewis**, long time artist, teacher and resident of Bucks County, will judge the paintings tonight. Barbara has studied drawing and painting with many well known artists and at the Pennsylvania Academy of the Fine Arts and Studio Incamminati, the atelier established by the renowned artist Nelson Shanks. Barbara believes in the classical training in drawing and painting. Working mainly in oil, she shows a painterly realism in her landscapes, still lifes and portraits. Her work has been exhibited in many museums and galleries.

**Lorraine Raywood** returns to judge the Photography division in tonight's show. Lorraine works in this field and is experienced in the art of photography. Her work has been exhibited in many museums, galleries and photography shows.

*Spring into Action*

You can spend all day looking for a "perfect" composition that just doesn't exist. Embrace the reality around you—smog, power lines, even debris—and open yourself up to telling interesting stories with new subjects.

*The artist is a receptacle for emotions that come from all over the place: the sky, from the earth, from a scrap of paper, from a passing shape, from a spider's web.*  
**Pablo Picasso**

Please email or give photos of your work to **Lynne Whitsel** for display on our website.
