

The President's Corner

We are delighted to see all of you here tonight! Our speaker, Addie Hocyne, a veteran silk artist, will be interesting, I am sure.

We are in need of a Hospitality Chairman. Please think if you (and a friend) might want to chair this committee. You could even assign people to specific events, such as the Members Show and the end of the year dinner.

By April, we will have our board committee positions ready to present for membership vote. Your participation is so important! Please consider accepting an invitation to support BMAL with your time and talents.

Remember "It pays to display" your art work at bank shows and in the Warminster Library.

Please send all news to me at

Tonight's Speaker - - -

We welcome **Addie Hocyne**, who works in a variety of media, including dyes on silk, pastels, oils, acrylics, photography and most recently digital fractal art. She exhibits regularly at many of the area's juried and non-juried shows and has won numerous awards for her work.

Please Note these Changes.....

It was decided to serve refreshments only on special occasions. The meetings that would continue to have coffee and treats would be: the *September meeting*, the in house *Member Shows*, *Christmas*, and the *End of the Year meeting*.

We need a person or persons to oversee the position of **Hospitality**. The responsibilities are to come early to start the coffee, to co-ordinate and call the hostesses/hosts, help clean up, and to take home and replenish the supplies.

Our heartfelt thanks go to **Gail Cowen** who has been in charge of Hospitality for the past three years. She has done a superb job of bringing the supplies to the meeting and overseeing the refreshments every month. She is able to help and advise, but cannot continue as chairperson.
