## The President's Corner

We are delighted to see all of you at this wonderful meeting place.

Our speaker, Pat Achilles, is known for custom illustrations for all occasions. Her talent draws customers' attention to advertising, websites, and businesses. She does corporate greeting cards and caricatures.

Please take time to see our current bank show at the first Niagra Bank in Warrington. Our artists are so talented.

We are in the process of inviting volunteers to join the BMAL board for next year. We have discriptions for every job. If you choose a partner to co-chair a committee, that works especially well.

### The following positions are open:

Assistant Secretary - covers for secretary at meetings; may take notes at board meeting

Publicity - reserches art shows and activities of interest to BMAL members; responsible for publicity in newspapers, on television

Hospitality will assist Lois Wursta (thank you!) with contacting host/hostesses. Will set the tables for dinners, have coffee. Setting up tables is covered!

Charity Chair - act as contact for selected charity

Area Exhibits - assist in set up & take down of shows

Becoming involved is a super way to get to know BMAL members and give back to the group. We see potential in all of you! We will soon have business cards for BMAL and will give each member one to "pass on". Your job is to give it to someone with your name and number on the back....Our new room has plenty of room for a bigger membership. Let's make it happen.

Next month is the Members Show. That will be a perfect time to bring a guest!

Please send all news to me at [parkda11@comcast.net](mailto:parkda11@comcast.net)

## OUR PAST BMAL trip •••

Those of our members who met at the Michener Museum on February 6th to see the photography show found it to be a mind bending experience. Viewing different art forms sometimes influences our art, giving us a new direction to explore.
