The President's Corner

Good Evening to you all!

How wonderful to have this night of fellowship. Our members have talent in art and also in the art of cooking. Thanks to all of you for your contributions and also to our volunteers who set up for the dinner. The Hospitality Committee is to be congratulated on a job well done.

This year went by so quickly and with a lot of changes. The biggest plus was our growth in membership! To everyone who helped in various ways - in shows, at meetings, on murals, and in general support, we applaud you!

Summer Meetings feature Members' Art Share.

1 Meetings on the 3rd Wednesday in June, July & August at 6 PM. No refreshments will be served.

2 Programs: We will have a short topic of interest after the Art Share each month.

3 Bring three pieces of your work.

Tell about your start in art and your growth of skill.

June-- last names **A to H** • July-- last names **I to P**
August-- last names **Q to Z**

If you miss your month, present the next month.

Enjoy the meal, and the conversation. We will be voting on the board nominations during the business meeting, following the meal.
