

The President's Corner

What a wonderful display of artistic talent we have at our Members' Show. Everyone exhibiting should be very proud of his or her work.

Have you stopped by the 1st National Bank to see the BMAL show? Also, our show at the Visitors Center is very impressive.

The Winsor Newton demo will definitely be worthwhile attending if you are able to do so! The presenter will answer any and all questions!

It is really wonderful that we are increasing our membership, and welcoming our returning friends. This is an organization that is worth talking about and promoting.
