

### The President's Corner

The summer meetings were wonderful and well attended. It was very interesting to hear about our members backgrounds and techniques during the "show and tell" meetings. Each meeting, members generously brought snacks and are to be thanked. Many members helped to set up tables, get out more chairs (we liked that!) and helped with clean-up. You are appreciated!

This year we have great speakers scheduled. **Helena Sauers** not only booked our speakers, but she is responsible for the member information brochures that you all will have as reference for the year. Thank you, Helena for the summer work.

You will hear of all the opportunities for display for your art during the year. From the caliber of talent we saw at the "show and tell", you all have so much to show others! **Bart** has been another summer worker helping with all the planning.

I value your suggestions, news, and concerns for other members. We want to share your successes and be aware of your needs.

Our membership chair, **Peg McGuckin** shares with me the hope that all of you resume your membership AND bring a friend.

Please send all news to me at

### Volunteers Needed

We still are in need of:

**Publicity Chairman** (press releases to newspapers and TV, done monthly)

Information and contacts will be made available.

**Historian** (collect pictures, press releases for scrap book)

**Web Site Manager** (update site monthly)

**Good news** - - - general liability insurance for our exhibits has been secured.

**Terri Pearson** is taking charge of **Sunshine**.

**Jim Purcell** is the **Library Room Exhibits** chair

Many thanks to **Rosemary Kozak** who gave a very informative slide presentation on **Impressionism** at our August meeting.
