The President's Corner

Hello Everyone!

We are delighted to see everyone here for our September meeting! Our speaker tonight, Jennifer Hansen Rolli, oil painter, is represented in the group of artists at Silverman Gallery in Buckingham. With a background in design, she has achieved national and international recognition. Her amazing work can be found at www.silvermangallery.com. Her work features strong composition, color and contrast. We welcome this wonderful artist to BMAL.

This year BMAL is putting emphasis on membership growth. We are happy to have a new large meeting room with the hope of filling it with artists and art lovers. All of you can make this happen by (1) telling someone about our group and (2) (better yet) bring someone with you. What a favor you will be doing for your friends!

Please read about all our activities and join right in! We ask members to share with us any exhibits or shows they are involved in.

Please send all news to me at parkda11@comcast.net or 215 674-4292 Dawn Park
