The President's Corner

Welcome Everyone!

We are delighted at the quality of art that you see for our Members' Art Show. During the business meeting, our judge, Noel Miles, artist and professor at the Pennsylvania Academy of Fine Arts, will view the art. It is an honor to have him join us! During the judge's evaluation time, we ask all members to clear the art display area.

To those of you who are our artist or art lover guests, Bucks-Mont Art League is so glad that you have joined us tonight. Return again! Our friendliness and interesting meetings are a winning combination!

November Meeting

Come and meet our speaker Kelly Sullivan

Finger Smears, created by Kelly Sullivan, are collaborative paintings that have raised over \$150,000 for charities across the United States. Kelly also teaches oil painting in her studio in Lambertville, New Jersey. She works in oil producing figurative, landscapes and still life paintings that leave the viewer with a lasting sense of beauty.

*"Painting should be a happy experience,
not a pressured activity. No artist can paint
a masterpiece every time he paints."*
