### The President's Corner

Hello Everyone,

How wonderful to see all of you here for a BMAL night filled with good friends, good food and good information.

Thank you to all of you who have contributed to the delicious array of food. Also, kudos to those who helped set up for our dinner, the hospitality committee, and to those of you who help us clean up....it takes a village.

BMAL is delighted to be able to present a \$500 scholarship to an art student from William Tennent High School. Our criteria was two fold: the student must be accepted in an art program and have financial need.

Tonight we will be voting on the 2015-16 BMAL Board. These members are to be commended for their commitment to our league. If you have concerns, suggestions, or an urge to help, see them! We invite anyone to the board meetings, and welcome each member to participate on any committee....it is the village thing again!

Enjoy our time together tonight! Remember, we meet all summer....same place, same time.

Enjoy your evening! Say hello to someone that you do not know!!
