The President's Corner

Welcome Everyone,
First of all, thank you everyone who participated in our charity donations for Christ's Home for Children. You will help make things a little nicer for the children.

Tonight's speaker, Sandy Askey Adams, is expert in pastels. Her numerous awards are the proof of her channeling her passion of drawing and painting into impressive works of art. We welcome her to our meeting.

When you bring a guest to a meeting, we hope they will become a member. Fellowship of artists...lively conversation...excellent speakers...opportunities to display and sell work...we have so much to offer. Spread the word!

Next month, we will each provide finger food, appetizers and sweets for our holiday meeting. This will not be the usual covered dish. It was decided that with busy schedules, a lighter fare would be preferable.

Light refreshments, our speaker---Mark Margraff, a professional photographer---will make a great evening. December 15 is the date.

Enjoy the evening,
Dawn

We welcome our guest speaker, **Sandy Askey-Adams**. The interpretation of nature and its moods is the focus of Sandy's work. Sandy has had her paintings featured in the national art magazine "Pastel Journal" and in numerous books. Her paintings have been exhibited throughout the Mid-Atlantic and New England area. Sandy's paintings are included in private collections throughout the United States, Canada, Ireland and England.

December meeting = Holiday Party

All members bring light refreshments. **Mark Margraff** will speak to us about photography. Mark was our photography judge at our members' show.

Our sincere condolences to Irene Mueller on the loss of her husband.

I don't focus on painting the objects themselves. Rather, it's the shapes and color tones of the objects I'm trying to capture.
