## Bring and Brag (formerly Show and Tell)

We will begin our summer program in July  
*This is an opportunity to tell the group about your art or any art related activities.*

**July:** members with last names ending in A-M

**August:** members with last names ending in N-Z

Plan on speaking for about 5 minutes.

*You may participate in August if you missed out in July.*

### The President's Corner

Hello Everyone

Tonight we welcome Anthony Thompson who is a well known maritime painter and a former BMAL speaker. Tony is here tonight to share with us his personal collection of Russian paintings that he collected while he was an airline pilot flying to Europe.

Tonight the BMAL board will be installed for our next year.

We have missed seeing everyone, since we did not come together in May. Bring a friend - we would like to fill up the room. **Guests are our future.**

Dawn

### Special Activity this month: *Buck in the Bucket*

Put a buck (\$1.00) in the bucket to get a ticket to participate in the drawing. Many frames will be offered for a ticket.

We welcome our two newest members:  
**Elaine McFarlin and John Winfree.**

### *You don't have to leave home to find Inspiration*

Sometimes the road often traveled will lead to a painting if we just slow down and take notice instead of rushing on to our next destination. It's easy to speed through familiar territory and not appreciate where we are.

### Open Call for Artists

#### Tinicum Arts Festival Art Barn Exhibit

July 8th & 9th • Rt. 32, Erwinna

All mediums accepted. A \$25 entry fee entitles each artist to submit one work to be judged and displayed in the barn's upper level and three works priced at \$200 or less to be displayed in the barn's lower level. All works must be available for sale.

#### Northampton Library Gala in October

##### *Seeking paintings for a fund raising auction*

If any member of BMAL would like to donate a painting, the library will issue a paper enabling the artist to get a full tax write off.
